**Effective Date:** July 1, 2001.

**Explanation of State Expenditures:** The provisions of this bill are estimated to increase state costs by \$5,847 per year.

Under current law, prosecuting attorneys may elect to work either full- or part-time in the position. Prosecuting attorneys electing to work part-time are paid a minimum of 60% of the full-time salary of the circuit court judge. Prosecuting attorneys working part-time in counties meeting either certain population parameters or having certain correctional facilities or mental health facilities located in them are paid a minimum of 66%. This bill adds Wabash Valley Correctional Facility to that list.

Wabash Valley Correctional Facility is located in Sullivan County where the prosecuting attorney would receive 60% of the full-time salary. If this bill passes, the additional costs to the state would be an estimated \$5,847 per year, including salary and fringe benefits.
